Required for September 2010

Assistant Head of English

TLR 2b £4192

An excellent opportunity to work as part of a welcoming and highly motivated team establishing a new Academy in the London Borough of Barnet. Sponsored by the Church of England and Berkhamsted School, Wren Academy opened in September 2008 in new buildings to 162 Year 7 students. The Academy will grow incrementally to a total of approximately 1100 students (including 200 in the sixth form).

The English department currently consists of three full time staff including the Head of Department. English is taught in mixed ability single sex groups. This is a unique opportunity for a creative and ambitious curriculum specialist to work collaboratively with the Head of Department to develop an outstanding curriculum and recruit and develop a dedicated team of English teachers.

The English curriculum is taught through a range of newly developed, innovative schemes of learning in line with renewed framework objectives.

The successful candidate for this position will have the ability to lead on aspects of the curriculum, assessment or whole Academy initiatives such as literacy. They will have a clear understanding of APP, the renewed framework and be up to date with current and future curriculum changes and their potential impact on the future of English.

Closing date: Noon on Wednesday 17 March 2010

Interviews will take place during the week commencing Monday 23 March 2010.
